MEETING NOTICE: The Pikes Peak Radio Amateur Association will meet this month on September 12 at 7:30 pm at Sabin Junior High School, 3605 N. Carefree Circle in Village Seven. Anyone interested in amateur radio is invited to attend. The program will be of a congratulatory nature with medallions awarded to those who helped with the Sports Festival.

LECTIONS for new club officers and board members will be held at the October meeting. The board will provide a list of nominations, but of course any member can add nominations at the meeting, so be giving some thought and coaxing to those you'd like to see running the show.

NOVICE CLASSES (hooray) will begin September 11 at North Jr High, 612 E Yampa, room 118 and will be held there on Tuesday and Thursday nights from 7:30-9:30 pm for about six weeks. Anyone who is interested in starting in ham radio otta be there. (Does anyone know where I can find some English classes? I don't think I spelled "there" right.)

MAILCALL: Dave. Hi. Want to say thanks for the Zero Beat. Sure enjoy so much, so give my best to the club. I talk to WØGBX, KØJUA, and WØCOB very nearly every night on 3882. I run TR4C, L4B Drake equipment, antenna V--71' center birdcage 5 wires spread 3-1/4 in rings. Have worked 5 continents on 80 with this antenna. Hope all is going ok with all hams. I am on 2 meters in my car--sure nice.

73, "Nip"

[Nip is a lifetime member in Arizona now, who shows he's still a member by writing from time to time. You might send us the details of that antenna--I'm not sure I read your writing right. Thanks. TAQ]

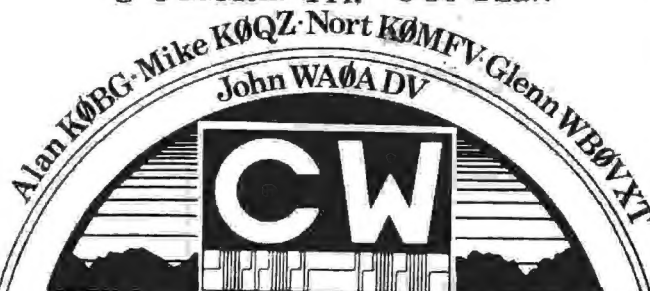

SEEMS I left room for CW's add in last month's ZB but didn't paste it in. As a peace offering, everybody gets to see their add here on the front page this time. TAQ

If it's CW, it's communications.
